About NOE International |

We are a faith-based non-profit operating four community centers in Central Mexico, serving over 1000 students. Yet NOE is more than a program — it's a community of volunteers, teachers, staff, and alumni who help students to realize their potential and provide them with the resources and training to help them accomplish that potential. After-school educational and recreational programs include English classes, homework help, tutoring, music classes, art classes, Bible studies, basketball teams, beautician classes, parenting classes, and more.

Who Becomes an Exchange Student |

Each year the NOE staff selects a group of 10-12 of the most deserving English students to participate in the exchange program here in the United States. These students have successfully completed the 5-year English program and represent NOE's philosophy of a well-rounded life. Dubbed the "Dream Team," they spend a month experiencing an American Christian home in the states.

The mission of the NOE Exchange Program is to provide an opportunity for the students to: further develop their English, experience and gain a deeper understanding of American culture, and be exposed to a Christian family.

Becoming a Host Family |

Host families are key to the NOE Exchange Program experience. Students stay in the states for one month, typically the month of July. A Host Family provides; a place to stay in their home, meals, and occasional transportation to 4 or 5 group activity events. Most importantly, a Host Family opens their home and their lives to their student.

What can we do during their stay?

- share meals together • go sightseeing • take them to church • practice English together •
- cook together • show interest in their lives in Mexico • go on a hike •

The possibilities are endless!
